

**Public Meeting on
the Development of
CORE Connections
2035**

**Tuesday, June 2
6:00 p.m.
until 8:00 p.m.**

**MPC Mendonsa
Hearing Room**

**112 E. State Street,
Savannah, GA**

**Do you have ideas about how to improve
transportation in our area?
Now is the time to talk about it.**

The Coastal Region Metropolitan Planning Organization (CORE MPO), which is the transportation planning organization for the Savannah-Chatham area, is hosting a series of community meetings on the update to the long-range transportation plan. The new plan, called CORE Connections 2035, is being developed to address the transportation needs of Savannah and Chatham County in the next twenty-five years.

The first community meeting on the CORE Connections 2035 will provide the public with information about the plan update process and schedule, and involve community members in the identification of goals and issues to be addressed in CORE Connections 2035.

You are cordially invited to attend this meeting and share with us your transportation concerns and vision for the future of transportation in our area.

**If you have any questions regarding the public meeting,
or need to request special accommodation, please contact
Ms. Wykoda Wang at 912-651-1452.**
