RE – Administrative Modification to the FY 2021 -2024 TIP for FHWA Ferry Boat Program Formula Funds

Dear Mr. Longo

This letter is to respond to the FHWA inquiry regarding the FHWA Ferry Boat Program formula funds for the Savannah Belles Ferry project that is programmed in the FY 2021 – 2024 Transportation Improvement Program (TIP). CORE MPO has processed an administrative modification as follows regarding this project.

- FHWA Ferry Boat Program Formula Funds for the Savannah Belles Ferry project -- correct the project identification number (PI#) from T007426 to 0017972. The table on the next page shows the updated information.

The GDOT TPRO system shows that the funds were authorized in FY 2021. Please go ahead with the funding flexing to FTA so that the Chatham Area Transit (CAT) can access the funds to improve the ferry system.

The associated information on the administrative modification will be posted on the CORE MPO website.

If you have any questions, please contact Wykoda Wang at 912.651.1466 or wangw@thempc.org.

Thank you very much.

Sincerely,

Melanie Wilson
Executive Director
