<b>Chevis Road Improvement Project</b>  PROJECT DESCRIPTION: This project will consider motorized and nonmotorized transportation improvements on Chevis Road from Wild Heron Road to State Route 25/Ogeechee Road. A portion of the road in the high- density area will be converted to an urban section with 5-foot sidewalks on both sides of the road. The more rural portions of the project will consider installing a 10-foot multi-purpose trail on one side of the road. Project will also consider water quality and storm water infrastructure improvements, as well as provide a safe route to access area schools and commercial businesses for non-motorized commuters. It will receive carryover funds in the PE phase from unobligated TA and CRP funds that are at risk of lapsing. \$50,000 in CRP funds will be dedicated to this project phase in FY 2025. The federal portion of the CRP funds is \$40,000 and the local match is \$10,000. Additionally, \$1,788,915 in TA funds will be dedicated to the project for FY 2025. The federal portion of the TA funds is \$1,431,132 and the local match is \$357,783. In April 2025, Chatham County requested an amendment to add local funds to FY 2025 and move the construction phase to FY 2028. In May 2025, CORE MPO processed Administrative Modification to replace the Y301 funds for the PE phase in FY 2025 with Y230 funds. The funding amount did not change.
