About the Regional Freight Transportation Plan Update:

The Coastal Region Metropolitan Planning Organization (CORE MPO) is updating the Regional Freight Transportation Plan for the Savannah region (Chatham, Bryan, and Effingham Counties).

Key tasks of this study include:

- Freight needs assessment and analysis
- Land use assessment
- Economic development and market assessment
- Environmental and community impact scan and analysis
- Recommendations for freight infrastructure improvements
- Recommendations for future land uses

The anticipated completion date of the Regional Freight Transportation Plan is July 2023.
