

ARTICLE C.

EXCEPTIONS AND MODIFICATIONS

Sec. 8-3051. Walls and fences.

The setback requirements of this chapter shall not prohibit any necessary retaining wall or prohibit any wall or fence. However, within any R district, except the historic district, no wall or fence shall exceed six feet in height within a front or side yard. Within any R district within the historic district, no wall or fence shall exceed 11 feet in height within a front or side yard; however, where adjoining walls exceed 11 feet, any new wall may be constructed to the height of the existing wall.
